The **AEMA Salary Survey** is a detailed and comprehensive analysis of various personnel working in the design profession. Each category reports the high, average and low salary amount by:

- Regions of the U. S. (Northeast, Southeast, Midwest, Southwest, and Western)
- Firm Size (total personnel)
- Professional, Management & Support Personnel from Principal/Owner to Errand Person
- Design Professional by years of experience: 1-5, 6-10, 10-20, 20+ and Department Manager.
- Over 80 different positions

In addition, the booklet reports "*average*" utilization rates and generic job descriptions.
